

*“A time to weep, and a time to LAUGH: [to play: including instrumental music, singing, and dancing]; A time to mourn [lament bitterly, bewail in grief and humiliation; to embrace and weep upon one another], **And a time to DANCE;** [to leap. To spring about wildly or for JOY; that of trampling the ground with one’s feet; to cause mountains to tremble].” Ecclesiastes 3:4*

NAOMI House South Dakota, Tribes Arise, and the Kingdom Council of Pine Ridge, South Dakota is stepping out in faith once again. This will be an epic gathering + opportunity to SERVE in missions!

Join me and my good friends **Christa Elisha**, and **Harmony Klingenmeyer**, as well as my bro **Apostle George Dreamer**, **Apostle Todd Finney**, and Lord willing, the **Secretary of the State of South Dakota**, **Monae Johnson**. - NAOMI House does not own any dogs. If they do come around, we ask that you not feed them or encourage them to come around. Please take normal precautions regarding dogs.
- We have several types of snakes, including rattlesnakes. Be mindful of where you walk and do not reach into or under anything you cannot see.
- Restrooms are being installed as we speak and will prayerfully be available in the main building on the second floor.

This is the first time ever we are putting down a tent on this land and inviting people from the outside:) Please be flexible with us, with **a servant's heart, and mission mind.**

#### Please Understand:

You are coming onto Native American Reservation Territory & Hotel.

You are essentially stepping foot into a world within a world. It is going to be DIFFERENT than what you are familiar with. From accommodations, to culture, to WEATHER, to mind-sets, and daily realities. You can do a YouTube search for PINE RIDGE RESERVATION DOCUMENTARIES to learn just a bit about the area. Please understand that our purpose to gather is basically a call to WAR and celebration. **Also expect to be tremendously blessed and encouraged.**

[I made a video to teach on the 5 Main Reasons for our tent meeting to keep us focused on our PURPOSE.](#)

- Gather the Ecclesia / spiritual reinforcement to mark off our territory as KINGDOM.
- Raise Awareness RE: NAOMI House and the need for Safe Houses on reservations.
  - Coming to the location in-person will give the Body of Christ an eye-opening view of HOW TO PRAY.
  - Potentially find those with a burden to serve on the front lines, long or short – term, and/or go home and tell others' about how they can help!
- A prophetic celebration of restored inheritance (Isaiah 61)
- A time of impartation, and encouragement to LEADERS to GO BACK to their places of frontlines ministry equipped and empowered.

!! PRAYERFULLY CONSIDER MAKING A DONATION. YOUR GENEROSITY IS IMPACTING NATIVE NATIONS. WE ARE SO GRATEFUL, IN JESUS' NAME!
