

TRIBES ARISE MAY TENT MEETING PRAYER POINTS

*“A time to weep, and a time to LAUGH: [to play: including instrumental music, singing, and dancing]; A time to mourn [lament bitterly, bewail in grief and humiliation; to embrace and weep upon one another], **And a time to DANCE;** [to leap. To spring about wildly or for JOY; that of trampling the ground with one’s feet; to cause mountains to tremble].” **Ecclesiastes 3:4***

Pray that the following 5 things would be accomplished:

1. **BUILD AN ALTAR TO THE LORD:** Gather the Ecclesia as spiritual reinforcement to mark off our territory and establish His Kingdom in the land, and continue His purposes. [build an altar, worship, prayer, praise, decrees, etc].
2. **Raise CRITICAL Awareness RE: NAOMI House** and the need for Safe Houses on reservations. Vision-Cast.
 - a. Coming to the location in-person will give the Body of Christ an eye-opening view of HOW TO PRAY, moving forward.
 - b. Potentially find those with a burden to serve on the front lines, long or short – term, and/or go home and tell others’ about how they can help!
3. **RESTORED SONSHIP and UNITY:** A prophetic celebration of restored inheritance (Isaiah 61)
4. **LEADERS IN THE BODY:** Pray for an impartation, and encouragement for LEADERS to GO BACK to their places of frontlines ministry equipped and empowered.
5. **“HE IS ASKING US TO STEWARD THE SOUND”:** I heard this phrase in my spirit. This will be a focus of our PRAYER Hub this month. There is a big battle over the sound of First Nations, in their drumming, singing, and dancing. I don’t know everything, and I’m not smart enough to accomplish what I believe He is saying to do regarding ‘stewarding the sound’; but we are going to take it to God in prayer this month. Your kingdom come, Your will be done, Lord.
